### Abbreviations:

**k:** knit

**p:** purl

**C8F:** place 4 stitches on a cable needle and hold to the front, knit the next 4 stitches on the left needle, knit the 4 stitches held on the cable needle.

### Scarf Pattern:

Cast on 32 stitches.

**Row 1 (right side row):** k1, p1, k8, p2, k8, p2, k8, p1, k1

**Row 2 (wrong side row):** k2, p8, k2, p8, k2, p8, k2

Repeat rows 1 and 2 and then when you see fit add in a cable twist at random times replacing one or two or three of the k8 columns with a C8F on right side rows only.

The wrong side row or Row 2 is worked the same throughout the scarf. I staggered adding the cable twists so the three k8 columns are never twisted on the same row.

You can add as many C8F's or as few as you choose.

It is all up to you.

**Tip:** Work at least 5 rows between each C8F on a single k8 column.

Work to the desired length.

Bind off.

Weave in ends to wrong side.
