Cardigan:

With the 24 inch circular needles and Igloo cast on (co) 34 stitches (st(s)) and placemarkers (pm) as follows:

Co 1 st, pm, co 6 sts, pm, co 20 sts, pm, co 6 sts, pm, co 1 st (34 sts)

Work rows 1 and 2 as follows, slipping the stitch markers as you go:

Row 1 (right side (RS)): knit in the front and back (kfb) on each side of each stitch marker (increasing 8 sts)

Row 2 (wrong side (WS)): knit

Now **AT THE SAME TIME** as you are working rows 1 and 2, kfb in the first and last sts on the RS rows. (increasing 10 sts)

Continue working rows 1 and 2 until the back measures about 1½ inches from the cast on edge, there should be 5 garter stitch ridges and the stitch count is as follows as you are looking at the right side: 10 sts for the front

Work the garter stitch cuff as follows:

Rnd 1: purl

Rnd 2: knit

Rnd 3: purl

Bind off in knit.

Repeat the sleeve on the other side.

Applied I-cord edging around the front opening:

Starting at the bottom right front corner and using the 24-inch circular needles, pick up (or place on the needle) 1 stitch in each garter stitch bump as follows:

18 sts for the stockinette stitch section on the right front

To place the buttonholes on the front garter stitch section, place the stitches as follows:

Pick up 1 st, skip 1 ridge

Pick up 3 sts, skip 1 ridge

Pick up 3 sts, skip 1 ridge

Pick up 6 stitches to the front raglan line.

Pick up 3 stitches across the sleeve.

Pick up 20 stitches across the back.

Pick 3 stitches across the sleeve.

Pick up 32 stitches down the front to the bottom edge of the cardigan.

Total: 89 stitches

With Toast and using a US size 5 double-pointed needle to work onto begin the applied I-cord as follows:

Cast on 2 stitches on the dpn. (k1, sl 1 as if to knit, yo, knit the edge stitch on the circular needle, pass 2 sts over the first stitch on the right needle and off the needle) repeat until you reach the firstskipped ridge on the front edge for the buttonhole.

Slide the stitches to the other end of the dpn and knit the two stitches onto a second dpn. Now go back to working the repeat between the ().

Continue to work the applied I-cord and then knitting the 2 stitches as a regular I-cord for the next 2 buttonholes as for the first and where there is a skipped ridge, until you reach the bottom of the left front.

Bind off.

Weave in all ends to the inside of the cardigan and trim.

With a sewing needle and matching thread securely sew the buttons across from the three buttonholes. Tie off securely on the inside and trim.

Block as desired.
